---	--	----------------------------------

Workshop April 2009

"Physiological & socio-psychological risks from loud music in public venues"
LOCATION & TIMING OF THE 2M3R WORKSHOP

- [] The Workshop will take place at Melbourne University, main campus, School of Behavioral Sciences, Redmond Barry Building, 10th floor, Room 1006. You need to use the eastern entrance to the building, where you will find elevators.
- [] This building is near Gate 1 of the university, on Tin Alley, off Swanston St. If you come by car, on Saturday you can get into the campus, but have to pay a \$5 entrance. The rule for Friday is yet to be confirmed.

- [] The main tram stop for Melbourne University is on Swanston St near Gate 3, which is a gate for pedestrians. Several tram lines from the city end at Melbourne University; lines 1 and 8 connect to Carlton and Brunswick.
- [] Workshop *Timing*: Friday April 17: 10:30 - 18:00 and Saturday April 18: 9:00 - 13:00; the Workshop Dinner is Friday evening, from 19:30 onwards; please see Org-Info [B] for details.
